Shubham Kumar

Frontend Developer

theshubham.dev | devshubhamyadav@gmail.com | +919608213718 | Bangalore, India

Professional Summary

Highly skilled Frontend Developer with over **1.5 years of experience** in developing and maintaining Full-Stack Web applications. Strong problem-solving abilities and a collaborative mindset, consistently delivering high-quality applications that exceed client expectations.

Professional Experience

React Developer at Sequro Technologies

Apr 2022 - May 2023

- Developed and maintained responsive web applications using React.js, contributing to the company's product suite.
- Collaborated with a team of developers to implement new features and enhance existing functionality.
- Activity working for the NPCI (National Payment Corporation of India) on various projects like Arbitration Management Tool, Card Management System etc.
- Actively participated in code reviews, providing constructive feedback and ensuring code quality and adherence to best practices.
- Integrated RESTful APIs to fetch and update data, ensuring seamless communication between the front-end and back-end systems.
- Implemented unit tests using Jest and React Testing Library, ensuring the reliability and stability of the applications.
- Assisted in the migration of legacy codebases to modern React frameworks, enhancing maintainability and scalability.
- Leveraged knowledge in MERN Stack, Git, React Native, debugging and testing techniques.

React Developer Intern at Sequro Technologies

Oct 2021 - Apr 2022

- Actively worked in an agile software development environment following the Scrum process.
- Worked closely with UI/UX designers to ensure consistent and visually appealing user interfaces.
- Integrated RESTful APIs to fetch and update data, ensuring seamless communication between the front-end and back-end systems.
- Implemented unit tests using Jest and React Testing Library, ensuring the reliability and stability of the applications.
- Worked closely with UI/UX designers to ensure consistent and visually appealing user interfaces.
- Actively participated in Agile development methodologies, attending daily stand-up meetings and sprint planning sessions.

Personal Projects

ApnaMart - An eCommerce application

https://apnamart.theshubham.dev
Technology Used: React js, Nodejs, Express js, Tailwind CSS, MongoDB, Redux.
Users can search and filter products with an intelligent filter, see the detailed view of the product, add to cart product, place the order after payment is successful, see order status and history.
Admin can see all the status and create, update, delete product, and update order status.

WordWorld - World Guessing game

https://wordworld.vercel.app/
Technology Used: React JS, CSS, Frequency Algorithm.
Design and develop a simple word guessing game and Frequency Algorithm.
Background Green for correct guess, Background indigo for correct guess but wrong position, background not changed for incorrect guess.

Technical Skills

Html, CSS, JavaScript, Typescript, React JS, Redux Toolkit, Next JS, Formik, React Hook Form, React Query, React Testing Library, Jest, React Native

As a skilled Frontend Developer, I bring a wealth of technical expertise:

Mastery of JavaScript, with a focus on both **React Js** and **Next Js** for seamless web application development.
Fluent proficiency in utilizing **HTML** and **CSS** for crafting intuitive and visually stunning UIs.
Hands-on experience in leveraging **RESTful APIs**, **JSON** and Networking for seamless app integration, as well as in-depth knowledge of key application methodology **Agile** and **SOAP**.
Expertise in utilizing **JavaScript** and **Typescript** for effective and efficient Asynchronous Programming, as well as extensive experience with industry-standard tools like **Jest** for testing. With my comprehensive skill set and passion for innovation, I'm poised to take on any challenge and drive your projects to new heights.

Education

Bachelor of Computer Application   May 2019 - Apr 2022
Vidya Vihar Institute of technology, Purnea Bihar   CGPA 8.50

Hobbies
Photography, Travelling, Music

Language
English, Hindi
